**2 FOR DISEASE CONTROL AND PREVENTION.**

3 Part B of title III of the Public Health Service Act  
4 (42 U.S.C. 243 et seq.) is amended by inserting before  
5 section 318 the following section:

6 “HUMAN PAPILLOMAVIRUS

7 “SEC. 317P. (a) SURVEILLANCE.—

8 “(1) IN GENERAL.—The Secretary, acting  
9 through the Director of the Centers for Disease  
10 Control and Prevention, shall—

11 “(A) enter into cooperative agreements  
12 with States and other entities to conduct sen-  
13 tinel surveillance or other special studies that  
14 would determine the prevalence in various age  
15 groups and populations of specific types of  
16 human papillomavirus (referred to in this sec-  
17 tion as ‘HPV’) in different sites in various re-  
18 gions of the United States, through collection of  
19 special specimens for HPV using a variety of

1 laboratory-based testing and diagnostic tools;  
2 and

3 “(B) develop and analyze data from the  
4 HPV sentinel surveillance system described in  
5 subparagraph (A).

6 “(2) REPORT.—The Secretary shall make a  
7 progress report to the Congress with respect to  
8 paragraph (1) not later than one year after the ef-  
9 fective date of this section.

10 “(b) PREVENTION ACTIVITIES; EDUCATION PRO-  
11 GRAM.—

12 “(1) IN GENERAL.—The Secretary, acting  
13 through the Director of the Centers for Disease  
14 Control and Prevention, shall conduct prevention re-  
15 search on HPV, including—

16 “(A) behavioral and other research on the  
17 impact of HPV-related diagnoses on individuals;

18 “(B) formative research to assist with the  
19 development of educational messages and infor-  
20 mation for the public, for patients, and for their  
21 partners about HPV;

22 “(C) surveys of physician and public  
23 knowledge, attitudes, and practices about gen-  
24 ital HPV infection; and

1           “(D) upon the completion of and based on  
2           the findings under subparagraphs (A) through  
3           (C), develop and disseminate educational mate-  
4           rials for the public and health care providers re-  
5           garding HPV and its impact and prevention.

6           “(2) REPORT; FINAL PROPOSAL.—The Sec-  
7           retary shall make a progress report to the Congress  
8           with respect to paragraph (1) not later than one  
9           year after the effective date of this section, and shall  
10          develop a final proposal not later than two years  
11          after such effective date, including a detailed sum-  
12          mary of the significant findings and problems and  
13          the best strategies to prevent future infections.

14          “(c) HPV EDUCATION AND PREVENTION.—

15               “(1) IN GENERAL.—The Secretary shall pre-  
16               pare and distribute educational materials for health  
17               care providers and the public that include informa-  
18               tion on all sexually transmitted diseases, including  
19               HPV and HIV infection. Such materials shall  
20               address—

21                       “(A) modes of transmission;

22                       “(B) consequences of infection, including  
23               the link between HPV and cervical cancer;

24                       “(C) the effectiveness or lack of effective-  
25               ness of both condoms and abstinence in pre-

1           venting infection with sexually transmitted dis-  
2           eases, including HPV; and

3           “(D) the importance of regular pap  
4           smears, HIV testing, and sexually-transmitted-  
5           disease screening for early intervention pur-  
6           poses.

7           “(2) MEDICALLY ACCURATE INFORMATION.—  
8           Educational materials under paragraph (1), and all  
9           other relevant educational and prevention materials  
10          prepared for the public and health care providers by  
11          the Secretary (including materials prepared through  
12          the Food and Drug Administration, the Centers for  
13          Disease Control and Prevention, and the Health Re-  
14          sources and Services Administration), or by other  
15          Federal departments or agencies, or by contractors,  
16          grantees, or subgrantees thereof, that are specifically  
17          designed to address sexually transmitted diseases or  
18          condoms shall contain medically accurate informa-  
19          tion regarding the effectiveness or lack of effective-  
20          ness of condoms in preventing HPV infection, HIV  
21          infection, and other sexually transmitted diseases.  
22          Such requirement only applies to materials mass  
23          produced for the public and health care providers,  
24          and not to routine communications.”.

1   **SEC. 4. LABELING OF CONDOMS WITH RESPECT TO HUMAN**  
2                   **PAPILLOMAVIRUS   AND   OTHER   SEXUALLY**  
3                   **TRANSMITTED DISEASES.**

4       The Secretary of Health and Human Services shall  
5 reexamine existing condom labels that are authorized pur-  
6 suant to the Federal Food, Drug, and Cosmetic Act to  
7 ensure that the labels are medically accurate and not mis-  
8 leading regarding the overall effectiveness and lack of ef-  
9 fectiveness of condoms in preventing sexually transmitted  
10 diseases, including HIV infection and infection with the  
11 human papillomavirus.
